

IMPRESSIE MENU

DEAR GEUST.

Thank you very much for coming to our restaurant!

At Markt 8 we have **no menu**. Therefore here with us you only say what you don't want to eat. You will then discover what you will eat when your menu is served.

Of course, our chef will gladly take your wishes into account. Whether it's a single ingredient which you don't like or are allergic to it, we provide a tasty experience in all cases.

In other words: let yourself be surprised and enjoy!
